**COMPLIANCE/AGENCY REQUIREMENTS**

Except as noted, the Clatsop County Community Development Department finds the proposed use(s)/action(s) in compliance with Clatsop County Land and Water Development and Use Ordinance and with the Clatsop County Comprehensive Plan. The evaluation of the land parcels outlined above is based on the information presented at this time, standards provided in the Clatsop County Land and Water Development and Use Ordinance, and policies of the Comprehensive plan, and the Zoning/Comprehensive Plan Map.

The applicant or property owner must comply with the conditions noted below and on the attached applicant's statement. This permit is not valid unless the conditions are met.

**PLANNING ADDITIONAL INFORMATION/CONDITIONS OF APPROVAL**

**Date Applied:** 01/16/2025

- Comments:**
- 1.AG EXEMPT STRUCTURE:** If the subject building is converted to nonagricultural use (e.g., garage, home occupancy, etc.) development and building permits must be obtained before the conversion. Failure to obtain appropriate permits may result in action to enforce the applicable land use and building codes for such structures and use. A post-occupancy inspection may be made to ensure continuing compliance with the agricultural-building requirements. - The applicant has provided a copy of enrollment with the County Assessor's office for a farm or forest deferral program. Or; - The applicant has provided documentation such as a business plan, profit/loss statements, tax returns or advertising, to demonstrate the lot or parcel(s) are in Farm Use.
- 2.BUILDING USE:** This structure is permitted as an AG-EXEMPT STRUCTURE. The applicant has indicated it will be for the storage of equipment. Expansion or change of use may require separate land use and/or building permits.
- 3.DEQ:** No plumbing or additional bedrooms proposed. Applicant is responsible for ensuring that development will not violate the State of Oregon's standards regarding sewage disposal, including the proper placement of structures in relation to septic and drain field locations.
- 4.ENDANGERED SPECIES ACT DISCLAIMER:** Certain fish, wildlife, and plant species in Clatsop County may be protected by the federal Endangered Species Act (ESA). Through the issuance of this permit, Clatsop County makes no representation or assurance that the subject land use or development activity is permissible under the Endangered Species Act. As the permittee, you assume all responsibility to ensure that your activities undertaken in accordance with this permit do not violate applicable ESA rules and requirements, or any other state or federal rules or regulations. For more information regarding the salmon-related ESA rules and requirements, contact the National Marine Fisheries Service (NMFS) in Portland at (503) 230-5400. General information on the ESA and listed salmon species is available on the NMFS northwest region website at <https://www.fisheries.noaa.gov/region/west-coast>. For non-salmon ESA issues, contact the U.S. Fish and Wildlife Service in Portland at (503) 808-2468.
- 5.EROSION CONTROL:** All activities shall be carried out in accordance with the approved erosion control plan and LAWDUC Section 3.2000 Erosion Control Development Standards. Soil erosion and sediment control measures shall be installed correctly and maintained in proper working order on-site at all times. All disturbed areas shall be stabilized with temporary and/or permanent measures following the end of active disturbance; disturbed areas shall be permanently stabilized within 30 days after completion of construction or development activity ceases on the site.
- 6.GRADING PERMIT:** Application subject to the requirements of Grading Permit #25-00022.
- 7.NOTICE ON WETLANDS:** Wetlands may be present on-site. Applicant responsible for assuring that all development avoids wetlands. Applicant must obtain wetland removal/fill permit(s), as necessary. Please consult with a professional wetland consultant if you suspect wetlands will be impacted by the development or contact Oregon Division of State Lands (503-378-3805) for additional details on wetland regulations and permitting requirements.
- 8.OUTDOOR LIGHTING:** Outdoor lighting: all fixtures shall comply with Ordinance 20-02. Non-exempt fixtures shall be fully shielded and installed in such a manner as to prevent light trespass on adjacent properties and rights-of-way.
- 9.PLOT PLAN:** All development shall occur in accordance with the approved site plan. Any changes shall be reviewed and approved by the Land Use Planning Division.
- 10.RIPARIAN VEGETATION SETBACK:** No grading, clearing, vegetation removal, or other development shall occur within 50 feet of the edge of the lake, stream, slough, or other waterbody.
- 11.STORMWATER DRAINAGE PLAN:** Applicant responsible for assuring that development activity does not adversely affect adjoining properties or area (upstream or downstream) drainage facilities.
- 12.STRUCTURE HEIGHT MAXIMUM:** 45 feet
- 13.WILDLIFE NOTICE:** Your property may be located in an area that supports wildlife, including large game such as elk. If provoked or threatened, wildlife may cause harm to people or pets. Wildlife may also damage gardens, lawns and ornamental vegetation. For additional information regarding tips to limit property damage from elk, visit [https://www.dfw.state.or.us/wildlife/living\\_with/docs/Elk\\_Damage\\_Flyer.pdf](https://www.dfw.state.or.us/wildlife/living_with/docs/Elk_Damage_Flyer.pdf).

## OTHER REQUIREMENTS

Pertaining to the subject property described, I hereby declare that I am the legal owner of record, or an agent having the consent of the legal owner of record, and am authorized to make the application for a Development Permit/Action so as to obtain permits: Building, Sanitation, U.S. Army Corp of Engineers, Oregon Division of State Lands, Oregon Department of Transportation, Oregon Department of Parks and Recreation, or a Clatsop County Road Approach. I shall obtain any and all necessary permits before I do any of the proposed uses or activities. The statements within this application are true and correct to the best of my knowledge and belief. I understand that if the permit authorized was based on false statements, or it is determined that I have failed to fully comply with all conditions attached to and made part of this permit, this permit approval is hereby revoked and null and void.

It is expressly made a condition of this permit that I at all times fully abide by all State, Federal, and local laws, rules, and regulations governing my activities conducted or planned pursuant to this permit.

As a condition for issuing this Development Permit/Action, the undersigned agrees that he/she will hold Clatsop County harmless from and indemnify the County for any and all liabilities to the undersigned, his/her property or any other person or property, that might arise from any and all claims, damages, actions, causes of action or suits of any kind or nature whatsoever, which might result from the undersigns' failure to build, improved, or maintain roads which serve as access to the subject property or from the undersigns' failure to fully abide by any of the conditions included in or attached to this permit.

WAIVER OF VESTED RIGHTS DURING APPEAL PERIOD FOR ZONING AUTHORIZATIONS. I have been advised that this Land and Water Development Permit/Action by Clatsop County Community Development Director may be appealed within twelve (12) calendar days of the date of permit issuance and authorization (note: if the twelfth day is a Saturday, Sunday, or legal holiday, the appeal period lasts until the end of the next day which is a Saturday, Sunday, or legal holiday). I understand that if the approval authorized by the County and referenced above is reversed on appeal, then the authorization granted prior to the end of the appeal period will be null and void. I further understand and consent to the fact that any actions taken by me in reliance upon the authorization granted during the appeal period shall be at my own risk, and that I hereby agree not to attempt to hold Clatsop County responsible for consequences or damages in the event that removal of improvements constructed during the appeal period is ordered because an appeal is sustained.

I am aware that failure to abide by applicable Clatsop County Land and Water Development and Use Ordinance 80-14, as amended and Standards Document regulations may result in revocation of this permit or enforcement action by the County to resolve a violation and that enforcement action may result in levying of a fine.

I understand that a change in use, no matter how insignificant, may not be authorized under this permit and may require a new Development Permit/Action (check first, with the Clatsop County Community Development Department).

I understand that his Development Permit/Action expires 180 days from the date of issuance unless substantial construction or action pursuant to the permit has taken place. Upon expiration, a new development permit must be obtained.
